**COALDALE BOROUGH POLICE DEPARTMENT  
SECURITY CAMERA REGISTRATION**

We believe that working with the community to expand the use of existing technologies will assist in increasing public safety in Coaldale. The Coaldale Police Department has created a private security camera registration program that is designed to deter crime and promote public safety through collaboration between the Coaldale Police Department and the residents and business of the Borough of Coaldale.

Citizens and business owners can register their EXTERNAL security camera locations, system details and submit their contact information. If a serious crime is committed in the view of a privately owned security camera, Coaldale Police Department will search the registration data for nearby cameras and contact the owner with a request for camera footage.

The registration process is short and asks for:

- \* You to read the Disclaimer and Terms of Use.
- \* The name and address of your location
- \* Contact Information for the owner and operator of the camera system
- \* Details regarding your external security camera system.

You may obtain a registration form by contacting the Borough office at (570)645-6910 or the Coaldale Borough Police Department at (570)645-      The form can be mailed or dropped off to the Borough office or police department between

**\*\* AS PART OF THIS PROGRAM, AT NO TIME WILL THE COALDALE  
POLICE DEPARTMENT HAVE DIRECT ACCESS TO YOUR CAMERA OR CAMERA  
SYSTEM.**
