

RESOLUTION 2024-5

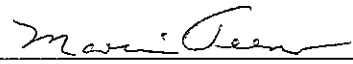

A RESOLUTION of the Borough Council of the Borough of Coaldale, Schuylkill County, Pennsylvania, requiring any and all future employees hired by the Borough in any capacity subsequent to March 12, 2024 to turn over passwords which they may have installed in any computer system owned by the Borough or on any outside system for access on behalf of the borough in order to conduct borough business upon that employee separating from borough employment for any reason.
